FOR IMMEDIATE RELEASE

BlueWave Computing Named a Top 25 Small Business of 2009

Summary: BlueWave Computing, LLC, an Atlanta-based IT services firm, has been named a Top 25 Small Business of the Year by the Cobb Chamber of Commerce.

Atlanta, GA 1 JUNE 2009 – BlueWave Computing, LLC, an Atlanta-based IT services firm, was selected this week as one of the Top 25 Small Businesses of the Year by The Cobb Chamber of Commerce. Businesses were nominated earlier this year, and after a review by an independent panel of judges, BlueWave Computing was selected as one of the Top 25 companies.

Candidates were evaluated based on the criteria used by the US Small Business Administration including staying power, growth in number of employees, increase in sales or unit volume, current and past financial standing, innovative products and services, response to adversity, evidence of contributions to aid community projects and overall management philosophy.

Dr. Steven Vicinanza, BlueWave CEO says, “The Cobb Chamber is a fabulous venue for networking with other small businesses, working together to improve our community, learning from one another, and growing our companies. We are quite honored to receive this award for the second year in a row.”

With this award, BlueWave adds to an impressive track record that includes a commendation from the Georgia State Senate, an INC Magazine Top 5000 small business award and a Catalyst Magazine Top 25 Entrepreneur award for Dr. Vicinanza.

About BlueWave Computing, LLC

Since 1997, BlueWave Computing has helped growing businesses take back control of their IT resources and align IT with their business objectives. Based in Atlanta, BlueWave provides a complete turnkey IT department for small and mid-size firms with a full complement of services including: IT planning and CIO, managed services (application hosting, online-backups, remote monitoring, business continuity), help desk, IT support, electronic marketing, and application development. These services are offered as part of a fixed monthly fee that’s designed to be affordable for smaller companies with 10 to 300 employees.
